A PROUD PAST, A PROMISING FUTURE

Epsilon Nu Chapter | Missouri University of Science & Technology | Spring 2023

A BREATH OF FRESH AIR

ΔΤΔ Announces \$750,000 Capital Campaign for Shelter Updates

For over 57 years, the Epsilon Nu Shelter has been a place to call home for all Delts: past, present, and future. It's been over 20 years since the last major update to our home, and other fraternities on campus have modernized their houses since then. While countless lives have been and continue to be shaped under our roof, it's hard not to notice our facility is aging. It's time to bring some "new" to Delta Tau Delta.

At Epsilon Nu, our mission is to provide state-of-the-art housing and a safe, modern learning environment for active members. Kappa Phi Building Corporation has carefully evaluated the long-term needs of Delta and its members, keeping a focus on safety, academics, and recruitment. To meet the ever-changing needs of today's collegians, alumni leadership has determined that a Shelter renovation is the best way to remain competitive in the Missouri S&T Greek community.

How do we accomplish this? By launching the *A Proud Past, A Promising Future* campaign! This campaign will help meet the needs of our brothers and establish a firm foundation for our chapter's future.

Renovation plans include:

Updated HVAC system.

Addition of a new educational space.

Revamping of kitchen and other common areas.

Our need is great, and Kappa Phi is more than ready to get to work. **But we cannot do it without you.** Early commitments totaling \$297,020 from 18 generous donors have kick-started the race to our \$750,000 campaign goal. It will take support from every generation of our brotherhood to get us across the finish line.

As you receive more details on the campaign over the next few weeks, I encourage you to reflect on why you joined this fraternity. Each of us committed to a lifetime membership in Delta Tau Delta during initiation. Now we must come together to ensure that membership still benefits undergraduates and alumni alike. Here's to the next chapter in our fraternity's future.

I hope you join us in writing it!

Fraternally,
Peter Moore '14
President,
Kappa Phi Building Corporation

SPECIAL ANNOUNCEMENT

Epsilon Nu Announces Campaign

"My fraternal experience was the highlight of years in Rolla and led to the many life-long relationships I hold to this day with my brother Delts. I want to make sure that today's MS&T students have the same opportunities I had for such an amazing experience. I'm proud to back this campaign and support Epsilon Nu Chapter and the future of our Delt brotherhood!"

—Dave Hammon '02

"The undergraduates could not be more excited and grateful for future renovations to the Shelter! We are very thankful for all of the continued support from our brothers. Improving the facilities of our great fraternity will continue to foster growth and excellence for generations to come! All contributions are greatly appreciated. We look forward to hearing from you!" —Epsilon Nu

THANK YOU, EARLY DONORS!

Stay Tuned for How You Can Join the Effort

We want to thank each and every early donor named on the list below—we wouldn't be where we are today without you. So far, our capital campaign has raised \$297,020 in commitments toward our \$750,000 goal. We need more contributors, however, to complete our goals for this Shelter renovation. Look for more details on how to support this effort soon!
